Upgrading of Bishan Neighbourhood Park

Dear Residents,

The Bishan Neighbourhood Park is set to undergo exciting upgrades, including a new play area for children, new BBQ pits for family gatherings, and a new event pavilion for community events. The existing fitness area will remain, continuing to provide outdoor recreational activities. These improvements aim to enhance the park as a vibrant, multi-purpose space for recreation, socializing, and relaxation for the Marymount community!

Ms Gan Slow Huang

Chairperson of Bishan-Toa Payoh Town Council
MP for Marymount SMC
